ORDER

COMES ON FOR HEARING, a motion by defendant, Herman Jackson Murray II, to extend time to file motions and continue the jury trial setting, filed by his attorney of record, in the above-named cause. The court, being fully informed in the premises, makes the following findings.

The court finds the defendant has demonstrated a good and sufficient reason for the granting of this motion. The court finds there is additional discovery to be disclosed to the defense and time needed to properly review such materials upon receipt. The court finds the government does not object to the motion. The court finds the government also does not object to a similar continuance of the setting of the jury trial. The court finds the time is excludable under 18 U.S.C. 3161(h)(7) and is in the interests of substantial justice and outweighs the Defendant's or the public's right to a speedy trial commencement.

IT IS THEREFORE ORDERED that the Defendant is granted until July 19, 2019, to file any substantive motions, with the Government's response according to the Local

Rules. The trial setting is continued from July 2019 to the August trial docket commencing on August 13, 2019.

DATED this 14th day of June 2019.

ROBIN J. CAUTHRON
United States District Judge
